

CERTIFICATE

The company

Euromark Industries S.r.l.
Via Venezia 4/A
35010 Vigonza PD, ITALY

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report **19RA03190**

for the following articles:

Labels of mock leather for clothing produced with: support fabric of polyester and cotton/polyester in different colors, non-woven fabric of polyamide/polyurethane in white and anthracite colors, with transparent or colored polyurethane coating or with metal foils, printed in different colors and/or laser etched; colored transfers for fabric printing applied on support films of transparent polyester. Produced with materials pre-certified STANDARD 100 by OEKO-TEX®.

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Appendix 4, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Appendix 4 for products with direct contact to skin.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.), the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass) and of the Chinese standard GB 18401:2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

The certificate 1400583.0 is valid until 13.02.2020
